

Dear Parents,

Internet safety is a must in today's world of electronics. Please read and discuss our class rules with your child. You and your child please sign that you agree to follow these computer rules. If the rules are not followed the student's computer privileges will be taken away.

I will not share my password with my friends.

I will not share personal information (phone number, address) with people on line.

I will treat all of teacher's electronic devices with respect and care.

I will always use 2 hands and walking feet when getting or putting away electronics devices.

I will stay in my seat when using iPod. No walking while working on electronics.

I will only use the computer assigned to me not my neighbor's computer.

I will only use apps and programs my teacher has instructed me to use.

No liquid around any electronics ever!

I will be responsible and make smart choices while using computers and iPod.
